Lil Residenti ta' Triq Grunju:-

SEWQAN EĊĊESSIV FI TRIQ GRUNJU

Il-Kunsill Lokali tan-Nadur jixtieq javza lir-residenti li bhalissa l-Kunsill għaddej b'diskussjonijiet ma' Transport Malta rigward l-ammont ta' traffiku li żdied f'din it-triq peress li Triq l-Imġarr magħluqa. Fl-aħħar xhur saru diversi tabelli minħabba speed limits imma dawn xorta waħda ma ġewx osservati minn ċertu sewwieqa.

Il-Kunsill innota li s-sewqan ta' xi uħud qed ikun eċċessiv u dan qed ikun ta' periklu kbir għal familji u tfal residenti f'din it-triq. Kellna talba qawwija mir-residenti biex il-Kunsill jara x'passi jistgħu jittieħdu fejn tidhol sigurta. Saru diversi site visits minn TM u dawn approvaw li jiġu installati żewġ Road Humps fil-parti ta' isfel ta' Triq Grunju u l-oħra fil-parti ta' fuq kif indikat fis-site plan. Dawn ir-Road Humps ser ikunu temporanji sakemm terġa tinfetaħ Triq l-Imġarr u imbagħad eventwalment naraw jekk ikunx hemm lok li jitneħhew.

Filwaqt li niringrazzjakom għas-suggerimenti tagħkom fl-aħħar xhur, ninfurmakom li l-Kunsill sadanitant mhux ser jieqaf milli jara jekk ikunx hemmx bżonn ta' aktar mizuri neċessarji f'dawn in-naħat biex nevitaw l-perikli u l-incidenti.

Grazzi,

Nadur Local Council

12th September 2019

To the Residents of Grunju Street

RE: EXCESSIVE SPEED AT GRUNJU STREET

The Nadur Local Council would like to inform the residents that it has been discussing with Transport Malta for the past months, in respect of the increased traffic at Grunju Street, in view of the closure of Mgarr Road. In fact, as a first measure, we installed new traffic signs and road paints with speed limits. However, these were not observed by all vehicle drivers making use of this street.

The Council noted that the speeding of some drivers was being too excessive and this is resulting in added danger for the resident families and children. In fact, a big number of residents asked the Council to take additional security measures. Several site visits were held by TM and these approved the installation of two road humps, as indicated in the site plan. These road humps will be installed on a temporarily basis until Mgarr Road opens again for traffic, following which we will eventually see whether these road humps are needed any longer or not.

I thank you for your suggestions in the past months, and inform you that the Council will keep looking for other traffic management solutions in this area if need be, to avoid any unnecessary accidents.

Regards,

Edward Said
